

# Flight Summary

Review all your selected completed checklists below.

## Flight Log Information

| Date       | Pilot(s) / Observer(s) | Start Time | End Time | Location          |
|------------|------------------------|------------|----------|-------------------|
| 2025-05-22 | Ron Treleaven / N/A    | 14:02      | 15:03    | 43.9079, -78.8655 |

## 7.0 Visual Observer Duties

- ✓ Visual Observer Duties
- ✓ Assist PIC by maintaining VLOS and detecting hazards.
- ✓ Scan for aircraft, obstacles, people, and environmental threats.
- ✓ Inform PIC if VLOS is lost or hazards arise.
- ✓ Pass VLOS duties if temporarily distracted.
- ✓ Know mission and hazard limits (e.g., wind, weather, people).
- ✓ Comply with PIC instructions; communicate effectively.
- ✓ Remain sober, rested, and unimpaired.
- ✓ Use unaided vision only during flight.
- ✓ Cannot drive or operate vehicles while on VO duty.
- ✓ Be familiar with RPAS regulations and aircraft limits.
- ✓ May support pre-flight, checklist, and ground crew duties.
